

Elissa Bucher

International Dressage Rider and Trainer

Lissi has been riding competitively since aged 8 and professionally since 1999, being placed at various levels at GB National and Regional Championships. She has won and placed up to Intermediare II level in UK.

Lissi has represented GB internationally at Young Rider Prix St Georges level and was a member of the GB World Class Equine Pathway prior to her move to HK, benefitting from National Lottery funding. During this program she had access to training both on and off the horse, from shoeing to sports psychology.

Lissi has trained with Carl Hester since 1997, working for him over the course of 2yrs as a working pupil and rider. She continues to train with Carl during visits to GB, riding Carl's own horses. She has also spent time in the Netherlands working with world-renowned trainer Henk van Bergen.

Lissi has trained numerous horses and riders of all levels from Pony Club to Grand Prix in HK and the UK. She has ridden at Lo Wu for over two years, during which she has ridden many of the horses and ponies here.

"Lissi has a thorough and patient approach to her training and is consistent with her aims. I would thoroughly recommend Lissi as both a rider and trainer to help with all types horses and levels of rider. She has a great eye and is a very diplomatic and encouraging teacher"
